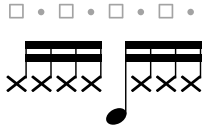
Kapitel 16tel HiHat Hand zu Hand – Einführung
Chapter 16th Note HiHat Hand-2-Hand – Introduction



Anders als auf den vorherigen Seiten werden die 16tel jetzt beidhändig gespielt. Rechte und linke Hand wechseln sich ab, die rechte Hand geht für den Backbeat (auf den 4teln 2 und 4) runter auf die Snare. Beginne auch hier langsam und steigere das Tempo ganz gemächlich.

Unlike on the previous pages, the 16th notes are now played ambidextrously. Right and left hand alternate, the right hand goes down to the snare for the backbeat (on the 4ths 2 and 4). Again, start slowly and increase the tempo very gradually.
